

Dear Ministry Leader,

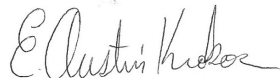

The MPM 2021 Men's Getaway is coming soon! This event will be happening October 1-3 in Durango, Colorado and it will be incredible. This retreat will encourage you and your men tremendously. We want you to know that we value you as a leader and want to serve you. We will encourage your men to stay committed to your church and to invest their time, talents, and treasure in all God is doing there when they return. This retreat will be encouraging, challenging, and fun! Men of all ages are welcome though we have some recommendations for young men referenced in the FAQ section of the website at <https://www.masterplanministries.net/mens-getaway.html>

We'll have fun doing numerous outdoor activities as well as the Man Championship friendly competition and we'll grow a ton in our walks with God. The theme of this fall's retreat will be The Heart of a Warrior. We've invited Michael Thompson, a leader of the Zoweh ministry in Raleigh, NC to be our keynote speaker. Specific values we hold include walking by faith regardless of circumstances, living with integrity, using our gifts to serve others, humbly relying on God and His power alone, experiencing the freedom of forgiveness, prioritizing our families, trusting God and His providence, and staying focused on God's plan. This retreat will be biblically grounded and encouraging for your men. I want to invite you to share the info about this retreat with your men and to join us the first weekend in October for a life-changing time. This will be a low cost, high quality men's retreat that has been designed to serve you, your ministry, and your men. You can learn more about MPM at [MasterPlanMinistries.net](https://www.masterplanministries.net)

Further, we would be glad to work with you to keep men together from your church for small group times and for sleeping arrangements as much as possible in light of our space and the schedule.

Again, we will do everything we can to encourage your men in their walks with God and to commit to all He is doing in your ministry. Please let us know how many men will be coming with you by registering at <https://www.masterplanministries.net/mens-getaway.html>. Contact Russ or myself with any questions. We expect this retreat may sell out as the last one did, so RSVP soon. We may be able to hold tickets for your group to register over the course of a couple of weeks if you reach out to us directly with a request to that effect.

For the MPM Men's Ministry Planning Team,
